JDI to Participate in HKTDC Hong Kong International Lighting Fair (Autumn Edition) 2023

Japan Display Inc. (JDI) will exhibit LumiFree at the Hong Kong International Lighting Fair (Autumn Edition) 2023, to be held at the Hong Kong Convention and Exhibition Centre (HKCEC) from October 27 to 30, 2023.

The HKTDC Hong Kong International Lighting Fair (Autumn Edition), held for the first time in four years, is one of the lighting fixture industry's largest exhibitions, attracting more than 37,700 visitors and 2,700 exhibitors in 2019.

LumiFree has started mass production this year and deliveries of products to stakeholders in Japan and overseas is underway.

Through our participation in this exhibition, we aim to further accelerate the expansion of LumiFree's business by increasing product awareness and building relationships with stakeholders.
